Jennings Heating & Cooling Earns Esteemed 2015 Angie's List Super Service Award

Award is a testament to the company's consistently high level of customer service

Akron, OH- Jennings Heating & Cooling has earned the service industry's coveted Angie's List Super Service Award, reflecting an exemplary year of service provided to members of the local services marketplace and consumer review site in 2015. This is the seventh Angie's List Super Service Award that Jennings Heating & Cooling has received since 2006.

"We are thrilled to have once again earned the Angie's List Super Service Award," said Mike Foraker, President and CEO of Jennings Heating & Cooling. "This award reflects our team's dedication to ensure that every customer is 100% satisfied with Jennings' service-from their first interaction with our company to equipment install or repair and beyond. We make sure that our customers and their loved ones are comfortable in their home so that they can focus on what matters most."

Only about five percent of the HVAC companies in the Akron area have performed so consistently well enough to earn our Super Service Award," said Angie's List Founder, Angie Hicks. "It's a really high standard."

Angie's List Super Service Award 2015 winners have met strict eligibility requirements, which include an "A" rating in overall grade, recent grade, and review period grade; the company must be in good standing with Angie's List, pass a background check and abide by Angie's List operational guidelines.

Service company ratings are updated daily on Angie's List. Companies are graded on an A through F scale in areas ranging from price to professionalism to punctuality.

About Jennings Heating & Cooling

Akron Ohio based Jennings Heating & Cooling Co., Inc. is celebrating 85 years of meeting home comfort needs. Since its inception in 1931 as a coal company, Jennings has grown into a full-service air conditioning and heating contracting company with the ability to service and install complete heating and air conditioning systems. In addition to scheduled service checks, repairing of existing equipment, and installation of new equipment, Jennings helps customers find ways to reduce their energy bills through a thorough cost-benefits analysis. Jennings Heating & Cooling has an extensive history of repair service on all brands of central air conditioning heating systems and furnaces.
